CPEC Projects, Chakdara Kalam Expressway 133 KM 4 Lane
Chakdara Kalam Expressway

In China Pakistan Economic Corridor CPEC the 3000 KMs long connectivity lines will connect Gawadar deep sea with kashgar, a city of Xinjiang autonomous region in China. Apart from this 3000 KMs rout, there would be numbers of routs and line to connect this main rout.

Chakdara Kalam Expressway is also the part of CPEC Project, Construction of 4 Lane Chakdara Kalam Expressway 133 km. It will linked with 81 km swat Motorway under developing kpk Consultanc services for Feasibility study and Detailed. Design for Construction of 4-Lane Expressway From Chakdara To Kalam- N 95 (133Km) allocated to Highest Ranked Bidder: M/s EA Consulting (Pvt.)Ltd. (Lead Firm) in JV with M/s Partners in Development (PID). The proposed project is located in Swat valley, KP Province. The proposed Expressway will connect the Nowshera – Chitral Road (N-45) with kalam town. Expressway starts form Chakdara to terminated at Kalam town while passing through Fatehpur Mingora and Bahrain towns.

The swat valley is famous for its scenic and natural beauty. It is a main attraction for the local and international tourists. Many historical and world famous archaeological sites of Gandhara Civilization are also located in this area. Tourism in this area will be improve. And hope that infrastructure will develop and will bring prosperity for the region.

Route Map for the Chakdara Kalam Expressway is starting from Karnal Sher Khan exchange To Chakdara. Six Planned interchanges are there in this expressway, Dobian Interchange, Islamia Interchange, Bakhshali Interchange, Katlang Interchange, Palai Interchange and Chakdara Interchange.
